

Water for Environment and Climate Change – UN cooperation on water management in the Drini River Basin

Anita Kodzoman,
UNDP North Macedonia

Relevant projects and partnership

Transboundary Drini River Basin projects

- The Memorandum of Understanding for the Management of the Extended Transboundary Drin Basin (November 2011)
- The Drin Coordinated Action for the implementation of the Drin MoU (Drin CORDA)
- Extended transboundary cooperation and integrated water resources management in the enhanced Drini River Basin I and II

GEF funded, UNDP and UNECE + GWP Mediterranean)

(Development and implementation of the Strategic Action Programme

Complementary projects for the sub-basins

- Integrated Climate Resilient transboundary flood risk management in Drini River Basin (Adaptation Fund, UNDP GWP Mediterranean)
- Transboundary and/or national and bilateral projects for the subbasins – Lake Ohrid, Lake Prespa, Lake Skadar (UNDP, UN Environment; GEF, SDC, GIZ)

Challenges/Opportunities

- Leadership both by UN and by Government
- Knowledge and experience of each UN agency and their collective knowledge and experience
- Existing transboundary mechanisms for coordination and collaboration
- Adopted Strategic Action Programmes
- Cooperation and coordination with other donors, and with EU
